**22 Whispering Angel Provence Rose 2014 - France**

*Whispering Angel has received, most deservedly, more critical acclaim than any other Rosé ever produced. This 2014 is a wonderfully fresh and delicate pink with excellent length and perfect balance. A very high-class Rosé for the price and highly recommended for the Summer.*

**23 Fleurie, Dominique Morel 2013 - France**

*Chilled or not, winemaker Dominique Morel's reds provide indulgent ripe fruit that is far too drinkable! The Queen of Beaujolais, damson and morello cherry nose with rich soft berry palate. Morel is one of the region's most prestigious and consistent growers.*
